GUIDE

This guide will help you prepare for the activities of the Interagency Depository Seminar and for your upcoming stay in Washington. It contains information on the meeting sites of the seminar and the guidelines for seminar participation agreed upon by the participating agencies.

Presentations will be held in the Carl Hayden Room at the Government Printing Office, except for the Library of Congress sessions on Tuesday, July 29. Presentations will begin promptly at 8:30 a.m. and will last until late afternoon. All participants are expected to attend all presentations.

Meeting Sites

Carl Hayden Room (8th Floor)
U.S. Government Printing Office
732 North Capitol Street, NW
Washington, DC 20401
(Use the entrance at 732 N. Capitol, not the
Bookstore entrance at 710 N. Capitol)

Library of Congress
James Madison Building
101 Independence Avenue, SE
Washington, DC 20540

Seminar Orientation

Please follow the directions shown below to arrive at the main GPO building well before the 8:30 a.m. start of the seminar.

In the lobby you will sign in and be escorted to the Carl Hayden Room to receive your nametag and information packet. The red, white and blue nametag will identify you as a seminar participant, allowing you to enter and exit the main GPO building. Please wear this nametag every day of the seminar. GPO Library Services and Content Management staff will be waiting in the lobby on Monday, July 28, to help you with directions or other procedural matters. Please ask them for assistance if you need it.

Seminar Guidelines

As a registered participant, you will be expected to attend all sessions of the seminar. A great deal of information will be covered in each session. This means that all sessions will begin promptly. Please allow sufficient time for commuting and lunch in your schedule so that you arrive in plenty of time for the beginning of each session. For your convenience, a restaurant list is included in this guide.

Smoking is prohibited in all Government buildings except in designated smoking areas. Room C-715 and a portion of the Cafeteria (A-821) are the designated smoking areas closest to the Carl Hayden Room.

Light refreshments will be available at no charge to participants. Other food is available nearby in the GPO cafeteria and area restaurants and food courts.

Each Government agency will run its own segment of the seminar and will establish its own ground rules. In order for us to get feedback from participants, you will be given a seminar evaluation form at the beginning of the seminar week. These will be collected at the closing session. **Note:** Wear comfortable shoes. Be prepared for a lot of walking on tours at GPO and the Library of Congress.

Networking

One of the seminar's many benefits is the opportunity to meet and interact with documents librarians from many different areas of the country. Take the time to meet and talk with other participants. You can sometimes learn as much from them as you can from the Federal agency representatives. Don't forget to include agency personnel in your networking as well. Most agency presenters are very approachable and would be more than happy to talk informally with you.

GPO Visitor Parking

Parking is available on GPO Lot 50, **with advance notice only**. If you know that you will be driving to GPO rather than using the METRO, please contact Yvonne Ellis by telephone on (202) 512-1119 or by e-mail at yellis@gpo.gov *in advance*. She can arrange for a one-day or multi-day parking permit.
